TWENTY-SECOND YEAR.

Flight of Forty-five Workmen from Raging Flames.

Most Disastrous Fire in the Western Coal Fields.

# SMOTHERED BY GAS.

No Hope for Those Who Couldn't peats the oaths known to be taken by members of the A. P. A., and declares that they are until to serve on juries,

Crying Women and Children Phee was brought to recover \$10,000 damages for cattle which they slieged, Gather Around the Shaft.

SHAMOKIN, Pa., Oct 9, -One workman dead and four others closed in the mine with all avenue of escape cut off and the most disastrous mine fire ever known in | Said to Be Working the Irrigation Busithe western anthracite coal fields now raging at the Luke Fidley colliery is the result in brief of a carpenter's negligence. Fifty-five other workmen who were employed in the mine at the time of the accident had thrilling escapes as they were compelled to grope their way through smoke and noxious gases in order to reach the fresh air in safety.

The four men who are still missing have been smothered before this as all parts of the big mine are certainly filled with smoke and deadly after damp. The fire started in the airway of No. I

shaft late last night and Irvin Buffington, Populist, ralumaker and irrigation aglwhom the colliery officials hold responsible for the disaster is dead. His body was not burned as death was due to suffocation. George Brown, a miner and his Polish helper, Anthony Roberti, Robert, a driver boy from the Luke Fidler and another Polish laborer whose name is not known by the mine officials are in the mine and no hope is entertained of

the mine and no hope is entertained of recovering them.

The mine is now a mass of flames and cannot be approached from any direction. It is feared the inside workings will have to be flooded, which means many mouths of idleness to the 900 cm. many months of idleness to the 900 em-ployes. Superintendent Morris Williams of the Mineral Railroad & Miniag comployes. Superintendent Morris Williams of the Mineral Railroad & Mining company informed a representative of the Associated Press, that while Irvin Ruffington, John Anderson Iv and others. Buffington, John Anderson, Jr., and others were engaged in retimit ring No. 1 shaft the former disobeyed orders by lighting his naked lamp in the air course for the purpose of testing the

A spark set fire to the timber that was the flames up and down the shaft like lightning. Buffington was advised by his fellow workvien to make good his eacape, but he neglected to heed their warning and returned to the bettern of warning and returned to the bottom of Ashevinae, N. C., Oct. 9.—The south-the shaft in order to exchange his gum bound freight on the Asheville & Sparboots for his shoes.

This delay cost him his life and his grade on the Saluda mountain, at 5 dead body was recovered in the tunnel about 5 o'clock this morning. Superin- mained on the flying train, which ran to Williams, Brennan, Mine In the bottom of the grade, four miles, and rennan. In then left the track, the engine and fourtendent

#### WHAT HIS TROUBLE IS.

changed for the worse, the correspondent 700,850, copper 48,270,500 pounds. of the Associated Press in this city has had another interview with Professor was recently in attendance upon the emperor of Russia at Spala. The pro-200 pounds, though he has lost much flesh since January and he should be able to make a good fight against dis-

Prof. Leyden, when asked if he thought Billy Bolton's paper it was not known the czar would recover, replied: "With that a regular Irrigation boom had been favorable climatic influence, as at Corfu, organized in Secretary Bristow's behalf. or the island of Madeira, if the weather at Corfu is not found to be favorable and without unforseen complications, he may

tator, who was in Topeka today, says he has been following up the Bristow irrigation becomes and that he knows all about His printed "The illness of the czar is peculiar. His principal trouble is a granulated contraction of the kidneys, in which the them. Mr. Montgomery says Judge W. B. Sutton of Russell county, Prof. Robert kidneys become hard and change tissue, Hay of Manhattan and Joshua Wheeler of Nortonville, who have been holding besides being subject to atrophy. This is accompanied by hyperatrophy of the irrigation conventions throughout the heart resulting from enlargement of its muscular tissue. This latter leads to breathing difficulty and is often very painful, the spasms being complicated by fits of unconsciousness.

"This is the case with the czar. There is no dropsy, however. Diabetes in the preliminary stage has deciared itself, but it is merely sympathetic and an accompaniment of the main trouble. When they want irrigation they will need some further advanced this mulady frequently Thus far, however, there does not appear Afternoon at 2 o'Clock. The inference is of course that an irrito be any immediate danger of this with gation community should elect members | the czar.

of the legislature favorable to irrigation, who would vote for an irrigation candidate for United States senator, which Prof. Leyden was then questioned in regard to the manner in which the czar's cure should be attempted. He said: "The means that this is J. L. Bristow's boom, most important requirement is total abstention from mental worry; on this point, the czar has been found to be exceedingly difficult to convince. The patient should also have plenty of sleep and food and his digestion should be regular. This, with the open air exercise and good climatic conditions, is all tanburg road, ran away down a heavy that is necessary to effect a cure.

"Under the most favorable circumstances, however, the disease is of lengthy duration, possibly years, and the results are most uncertain."

Referring to the prospects of a regency in Russia, Prof. Leyden remarked: "The The latest report says; Engineer Berm question of the appointment of a regency was discussed at Spala, in my hearing, Little Book-keeperMorey Pounds His Face but no decision was reached."

Prof. Leyden concluded: "A regency Conductor Will Patton had a leg and will become necessary, however, if a cure is to be effected."

A REGENCY WITHOUT THE NAME. The Czar May Appoint One But Will of the institution. Avoid the Title of Regent.

ST. PETERSBERG, Oct. 9.-It is understood here that if the czar decides, as is fully expected that he will, upon a form of regency during his absence from Russia, the exarowitch will not be appointed regent, but he will be entrusted by a special declaration with the direction of The trouble between Dr. McCasey and affairs. The title of regent will be care. Morey which has existed for several fully avoided in this appointment.

## SERGEANT STEELE'S ROW.

He and Mike Thompson Had a Few Rounds in a Restaurant Last Night, Sergeant Henry Steele of the police force gave an exhibition of his pugilistic skill last night at a restaurant near Eighth street on Kansas avenue. Steele forgot his official dignity long enough to knock Mike Thompson down with his

Sergeant Steele came into the eating house for his lunch, as he is now on night duty. It happened that Mike Thompson was also in the restaurant. Mike has earned a reputation of being one of the most persistent haters of the police in the Sergeant Steele is consequently not liked by Thompson but he has particular reasons for hating Steele much more than the other members of the

tary of the treasury, by Mr. Sheehan, When Thompson saw the blue coat and brass buttons of the sergeant and realized that Steele was inside the coat chief of the disaffected and anti-Hill Mr. Fairchild will make known his he at once began to call him names. Thompson was flush and wanted to bet \$100 that Morrill was the next governor. the work that the clock makers left in He carried his partisanship so far as to the shops.

inform Sergeant Steele he would be "plowing corn after the election." Steele eplied in kind, and Thompson called him more names. A little thing like that usually has but little effect upon a policeman and Steele listened to Thompson's pro-

out filing a protest Then he did tell Thompsor that it would be better for him if he put on the brakes and stop the train of his elpquence. Thompson replied by opening wide the throttle and letting of more

fane volubility for several moments with-

Steele listened a moment more and then drawing back his arm struck Thompson full in the face. He dropped as if he had been shot. When he rose up the angry sergeant was ready for another ouslaught, but friends interfered and further hostilities were averted.

Thompson's friends say that he was intoxicated and not able to defend himself, and are loud in their denunciation of what they term Steele's hasty action. The members of the police force were surprised when they heard of the occurclosed tomorrow on account of its being rence, and say that Steele has never been the "day of atonement." The store will known to participate in a quarrel of any DON'T WANT GERONIMO.

## M'KINLEY TO CHILDREN.

He Speaks to a Crowd That Had Assembled to Greet Him.

ELROY, Wis., Oct. 9.—A distinguished party of Wisconsin Republicans came with Gov. McKinley from West Superior. A special train was provided at midnight over the St. Paul, Minneapolis & Omelia road and ran down to Chippewa Falls shortly after sunrise. The official en-cort consisted of H. Upham, candidate for governor; Judge Emil Banesch, can-didate for lieutenant governor and other candidates on the state ticket.

There were also Henry C. Thom, chair man of the state committee; Samuel A. Harper, president of the state lengthe clubs, and others. The first stop was at Chippewa Falls at 7:30, followed by others at Eau Claire, Altoons, Black River Falls, Merrill Junction and Elroy.

There were numbers at each place All Commerce With Foo-Choo is and the party were cheered heartily. The gevernor has been nominated for president in every state through which he has passed, and Wisconsin has taken up the cry with increasing repetition at every place

At Merrill Junction the presonce of a give the governor an inspiration, and looking meaningly over the array of bright young faces he said: "There is nothing like the public school system of this country. It lies at the foundawas from the public schools of the country that went forth the courage and patriotism and conquered the mightlest rebellion in history and added lustre to the flag which I see you carry here.

"These public schools must be mentioned I note with pleasure the presence of the soldiers of the republic. I am glad to great them this morning. We need more patriotism in this country, a little more genuine Americanism, a little more of that sentiment which means that the people of this country are going to stand for their own interests and America.

"We disassociated ourselves from Great Britain more than 100 years ago and we with the European powers in order to did it because we wanted a government of our own, and now we propose that the policy of protection and prosperity and patriotism shall be pursued, a policy which gives the greatest number of people in this country the highest and greatest good."

#### HE SAW HIS ERROR.

But Then It Was All the Fault of Her Swell-Dressed Friend.

"I have just called Miss Simpson, said the angry lover. "to say farewell; but before I say it I want you to know that I have discovered your falseness. and I despise you for it" "Why, Billy, whatever is the mat-

"Oh, you know well enough. Maybe I didn't pass the gate last evening and see you with your head on another man's shoulder. Who is thu

happy man?"

idiot. Maybe you didn't have con pany last evening?"

No one, Billy, but my best friend. Emily. No. I didn't and I think you are a wretch. "And you didn't stand at the gate"

"Oh, yes, we did. We were counting the stars in the big dipper-making wishes on them."

Oh, yes, I suppose I was blind. Now, maybe you'll describe Emily to

"Why, she had on her Knox hat, her black blazer suit, a white shirtwaist, with a black satin tie, and a black satin vest. You know Emily, Billy.

Billy-Um-m! I see. And what might have been a modern tragedy was averted and Billy made up at once.

Populists Want Trumbull for Senator. Washington, Oct. 6.—Charles Taube-neck, chairman of the People's party congressional committee said today, after reading ex-Senator Trumbull's address, that it would make the people think on the lines of the Omaha platform and make him the most available third party candidate for United States senator in Illinois next winter.

Lexow Refere the Grand Jury. NEW YORK, Oct. 9 .- Senator Lexow was before the grand jury for a short time today. He refused to tell reporters the purpose of his visit to the jury room, but the rumor was in circulation that it was to ask the postponement of any in vestigation of police irregularities until after the senate committee of which has is chairman, shall have completed its
